### My Legacy to PAL

- I wish to leave a gift to PAL Vancouver in my will
- I have already included a gift to PAL Vancouver in my estate plans
- I would like information about honouring or commemorating someone special
- I have an item of value that may be of use to you – please contact me about it

### My preferences

- I wish to remain **anonymous** so that my name does NOT appear whenever PAL supporters are recognized.
- I would prefer NOT to receive a copy of your **annual report** which will tell me how my donations have been used.

On a quarterly basis, PAL sends its newsletter, *PALover* along with the national newsletter from PAL Canada, *PALingensis*, to all donors. We prefer to communicate with you electronically as this is the least expensive way of keeping in touch. However, if you do not have access to a computer and you wish to receive a hard copy of our quarterly newsletter please check the following box;

- I would prefer to receive newsletters in hard copy form through the post.

Occasionally, PAL sends **email bulletins** about events around town that are connected to PAL or in support of PAL. We strive to keep these announcements to a minimum.

- I would prefer NOT to receive these electronic bulletins.
